Arbor Networks

Technology

Arbor Networks, the security division of NETSCOUT, helps secure the world's largest enterprise and service provider networks from DDoS attacks and advanced threats. Arbor is the world's leading provider of DDoS protection in the enterprise, carrier and mobile market segments, according to Infonetics Research. Arbor strives to be a "force multiplier", making network and security teams the experts. Our goal is to provide a richer picture into networks and more security context so customers can solve problems faster and reduce the risks to their business.

☎ 734.327.0000 📍 Ann Arbor, MI 🔗 www.arbornetworks.com

Arbormoon Software, Inc.

Technology

Arbormoon Software, Inc. builds apps. Since 2004, our experts have been building mobile applications for clients throughout Southeast Michigan and beyond. We've worked with the University of Michigan, the Weather Channel, Peterbilt, SPARK, and many others to construct chart-topping apps that exceeded expectations, without exceeding budgets. There is no app too grandiose or too niche for our top-flight staff of developers, designers, project managers, and mobile strategists. Let us guide you from app idea to final release.

Bank of Ann Arbor

Financial and Capital Services

Bank of Ann Arbor was founded in 1996 to serve our communities with the banking products and services of the largest national banks while offering access to the decision makers. Over the years our advertising slogan, Bank of Ann Arbor helps, has come to represent how our team gives and cares for each other and our community. Each year, we help our community through hundreds of hours of work and thousands of dollars given to local nonprofits. We truly believe that being helpful—as opposed to constantly pushing a product of the day—is the far better way to go.

☎ 734.662.1600 📍 Ann Arbor, MI 🔗 www.bankofannarbor.com

Barracuda Networks, Inc.

Technology

Barracuda simplifies IT with cloud-enabled solutions that empower customers to protect their networks, applications, and data, regardless of where they reside. These powerful, easy-to-use and affordable solutions are trusted by more than 150,000 organizations worldwide and are delivered in appliance, virtual appliance, cloud and hybrid deployments. Barracuda's customer-centric business model focuses on delivering high-value, subscription-based IT solutions that provide end-to-end network and data security.

DTE Energy Foundation

Foundation

Energy is critical to our quality of life and economic progress. DTE Energy is relied upon 24 hours a day, seven days a week, 365 days of the year to produce, acquire and deliver that energy, whether from traditional sources or from renewable and alternative technologies. That makes us, in a sense, a company that never sleeps. At DTE Energy we believe that we have a greater responsibility. We believe that being part of a community means being involved in the fabric of that community. It means being a force for growth and prosperity in the communities that we serve. The DTE Energy Foundation, the charitable arm of DTE Energy, is integral to that mission.
